Simon's Success Strategies – Start 2005 Polished, Planned & Prepared

- **Do you begin each 1st January full of hope for the year ahead - and then either settle back into last year's hamster wheel or become overwhelmed with the never ending "to do" list?**
- **Are you bouncing against a barrier that you cannot break through or struggling to get off the ground?**
- **Would you like a proven system to hit 2005 "running" and to set yourself up for the best start to a year you have ever had?**

Here's an outline of our free presentation;

- **Vision** - Where do you want to be on the 31st of December 2005?
- **Why** - The most important "W" is Why do you want your Vision?
- **Goals** - Defining your 90 day goals and turning your vision into a set of practical and measurable goals
- **Measures** - Developing a set of measurement systems that will keep you on track
- **Time Management** - 3 simple Steps that will make sure every day is lived to the fullest
- **Planning the time to plan** - create a calendar that allows adequate time for rest, development and income
